Project: East West Rail, Western Section, Phase 2

Subject: Full land referencing exercise

Date: 21/05/2018

The purpose of this briefing note is to provide you with information on the full land referencing exercise due to start 04 June 2018.

In preparation for the East West Rail Phase 2 project (EWR2) to submit a Transport and Works Application Order EWR2 must seek to identify everyone who either owns and/or has an interest in land that may be affected by the project.

The land referencing process involves EWR2 making requests directly to land owners for confirmation of ownership/interests. Where ownership/interest details are not held by Land Registry unknown ownership notices will be displayed near to the plot in question asking the public to make contact with us and offer any information they may hold.

The land referencing exercise will start on the 04th June 2018 and run for approximately 4 weeks.

EWR2 will keep you up to date on progress and if you have any questions or comments do not hesitate to contact Charles Hurst (Stakeholder Manager) on 07515620485.
